PAVING CONTRACT NOT SIGNED BY THE CONTRACTORS

UNEXPECTED TURN IN LOUISA'S ENTERPRISING MOVEMENT MAY RESULT SERIOUSLY.

Louisa is having a hard time to get her street paving job started. Kelley Bros., the successful bidders, have so far failed to "come across" and sign the contract, although the city council and citizens have made all the concessions and arrangements asked by this firm.

Mr. Kelley was here Wednesday and every objection he offered was adjusted to meet his contention. Yet he did not sign. He was guaranteed cash terms of payment. In fact, nothing was left in his way.

Mayor Snyder left for Frankfort Wednesday evening to confer with the State Road Engineer as to some plan by which the work may proceed.

The delay caused by Kelley Brothers action endangers some of the State Aid that was already arranged for, as work must start before July 1st.

The council will yet do everything possible to go ahead with this important job. They have spent a great deal of time and hard work on the effort to accomplish this enterprise and it will not be abandoned unless absolutely necessary.

WAYNE COUNTY CLUB WINNERS MAKE NICE TRIP

The Wayne county prize winners club members returning from Morgantown Monday report their trip a most successful experience. Wayne had the honor of being represented by 23 club members, the third largest delegation sent from the several counties of the whole state. There was an increase of one-third over the enrollment at the prize winners' course last year.

Otis Workman of Wayne, was awarded the scholarship to West Virginia University which he won several months ago in the State pig-raising contest. Ozon Belcher, of Fort Gay, Route, was elected treasurer of the West Virginia Boys' and Girls' club, a distinction which has never before come to Wayne county. The local delegation received favorable comment throughout the conference and thus did honor to their home county.

The boys and girls are unanimous in their disapproval of the county court's refusal to employ a county agent and they urgently request the court to reconsider their step at its next meeting which will be held July 5th. The success of the club depends upon the agent who has supervision of all extension and demonstration work in the county.—Wayne News.

Mrs. L. W. Spencer Passes Away at Charley

Mrs. Lewis W. Spencer died Wednesday evening at her home at Charley, this county. She had been ill a year or more with Bright's disease. Mrs. Spencer was an excellent woman and the wife of one of our best citizens. She was the daughter of Peter Burgess, of Wilbur.

She is survived by one daughter, Mrs. Hays, wife of Dr. L. S. Hays, and two grand-children.

LOUISA WOMAN WINS A UNIVERSITY DEGREE

Mrs. Margaret O'Brien Bird has graduated from the University of Michigan at Ann Arbor. After the death of her husband she moved, with her two children, to Ann Arbor, the former home of her husband. She was formerly a competent teacher and was well prepared to take up a course such as she has just finished. It was an ambition of hers to earn a degree and her well known energy and determination, along with more than ordinary ability, have accomplished the gratifying result. Mrs. Bird is a daughter of the late Judge James H. O'Brien of Louisa. She graduated from the Louisa High School several years ago. Her recent diploma is from the college of literature, science and the arts.

BILLUPS-VANHOOSE.

The wedding of Miss Shirley Billups and Mr. Pete Vanhoose took place Thursday afternoon at the store of Rube Curnutte in Potter. The ceremony was performed by Rev. R. M. Curnutte in the presence of a very large crowd of relatives and friends of both parties. The bride is the daughter of James Billups, of Hewlett, W. Va. She is a charming young girl and is very popular. Mr. Vanhoose whose home is at Meredith, W. Va., is employed with the N. & W.

ANDERSON-NEWCOMB CO. ERECTING LARGE ADDITION

Work on the erection of three additional stores to the Anderson-Newcomb company building, is under way. This is to be one of the most unusual building operations in the history of Huntington as a steel frame of structural steel is to be built around the existing structure, so that the new building will not rest on the walls as they now stand. The foundation of concrete and steel from the basement to the first floor level has been completed on the west side. Operations are now delayed because of the non-arrival of steel.

MISS FREESE'S CLASS GIVES A RECITAL

The following from a Shepherdstown W. Va., newspaper is of interest to Louisa people because of Miss Katharine Freese's connection with the affair:

The past week has been commencement week at Shepherd College State Normal School, and Shepherdstown and the community round about has been enjoying the exercises, which have been of the greatest interest. The presence of Governor John J. Cornwell has been greatly appreciated, and visitors from various sections of the State have been welcome to our town.

The first event of the commencement week was the music given by the pupils of Miss Katharine Freese, head of the music department, last Friday night. Despite the rain, a large audience was present and thoroughly enjoyed a programme above the ordinary. The pupils of Miss Freese showed the result of very excellent training in both voice and piano, and appreciated by lovers of good music. There were three groups of choruses by the girls club; solos were most pleasingly sung by Miss Elizabeth Melester and Miss Ruth Myers; piano selections of a high order by Misses Hilda Mackenzie, Mary Kooztz, Georgia Phelps, Isabel Martin and Yolande Malone; and an eight-hand selection by Misses Mackenzie, Martin, Phelps and Sperow. The programme was a fine one and delightfully executed.

MATEWAN BATTLE IS BEING PROBED

The following telegram from Williamson shows that Fred Hutchinson, a native of Fallsburg, Ky., (this county) is foreman of the grand jury.

Williamson, W. Va., June 21.—Judge James Damron, of the Mingo County Court, impaneled a special grand jury here late today to investigate the shooting at Matewan, W. Va., May 19, in which Mayor C. C. Testerman, of that village, two other residents and seven men of the Baldwin-Feltz Detective Agency were killed and a half dozen other persons wounded. W. F. Hutchinson, of Williamson, was made foreman of the jury.

Colonel Jackson Arnold and Captain Ruppatoe, with 24 members of the state constabulary are on duty here and at Matewan. The troopers will guard all entrance to the courthouse. Judge Damron announced that no one would be permitted to enter the grand jury room bearing arms.

In his charge to the jury, Judge Damron said that the inception of the Matewan tragedy was the attempt to unionize the Thacker coal field which, he declared, had been resisted by the coal operators. His feeling was engendered, he continued, when a force of Baldwin-Feltz men ejected five miners from houses owned by the Stone Mountain Coal Corporation.

It was announced today that 200 witnesses will appear before the jury. "Mother" Jones, nationally known in the labor movement, was at Matewan today. She addressed a meeting of miners here tonight.

Booze Causes Shooting in Wayne County

Jesse Skeens, of the Head of Laurel creek, this county, was severely injured Saturday afternoon when he accidentally discharged a .45 calibre revolver shooting himself through the hips and abdomen. The bullet went through the body of Skeens and lodged in the leg of Thos. Davis, who was standing near.

The accident is said to have been the result of a booze party in which Skeens had participated. A brother of the victim of the accident attempted to prevent Skeens from leaving the house with the revolver. It is reported that Skeens would live if intestinal troubles do not set in. Davis' injuries were painful but not serious.—Wayne News.

NEW OIL WELLS

The Ohio Fuel's well on G. J. Carter and E. E. Shannon (Mary Williamson) tract adjoining Thad Ranson, has been completed by the Richmond Drilling company and is estimated to be good for four barrels.

A well is to be drilled on J. L. Hewlett's farm on Brushy, it is reported. This will test some new territory which looks promising.

In the upper Blaine field Norwood Johnson is preparing to drill on the Oliver Wheeler farm near the mouth of Coal creek.

No. 1 on Pleas Holbrook is almost ready to come in. It is the property of the Union.

The well on Sanford Lyons was shot with a heavy charge a few days ago and the casing was shot out or considerably damaged.

NEW INCORPORATIONS.

Lawrence County Development Co., Richardson, \$20,000; William Meade, J. W. Hinkle and R. D. Hinkle, Johnson-Magoffin Petroleum Co., Paintsville, \$75,000; Garland H. Rice, Charles A. Kirk and M. C. Kirk.

NEW WATER MAIN.

The Louisa Water company has received the pipe and supplies for laying a new water line in Lock avenue and it is said this work will start within a few days.

CAVALRY TROOP ALMOST READY

REQUIREMENT REDUCED TO 50 AND LAWRENCE COUNTY WILL MEET IT.

Dear Boys: I am just in receipt of a letter from the Adjutant General with this gratifying information:

"I am just in receipt of authorization to accept units of Cavalry with a minimum enlisted strength of fifty men. The date of the state encampment has been set for August 15th. Now, boys, this is real news to me, as we already have fifty men and will be ready to participate in this encampment. I had about given up hopes of obtaining the required number, as that was seventy men, but the law has been changed and set at fifty, which will give the entire unit to Louisa instead of taking one platoon from a neighboring city, as it looked we would have to do or go without any at all.

Now, a few of the boys have joined the regular army, and we will possibly need a few more to fill their places and if there are any of the neighbor boys who would like to join with us, bring them along, and we will try to make room for them.

I have had a talk with the doctor, and he informs me that he will be ready to examine applicants and those who have enlisted and have not been examined on July 10th, and you are requested to come to Louisa on that date. I want all the enlisted men to be present so we may ascertain the number required to complete the unit. I will make arrangements for dinner for all the out of town boys, so come and we will call the roll and immediately notify the department of our readiness.

These are the names of those sworn in already: Harry Brooks, Lock Moore, Pat Fraley, Burrell Thornhill, Willie Moore, Connie Thompson, James W. Hale, James Blaine Meade, Robert G. Johnson, James E. Kiser, Ted R. Muncy, Wade H. B. Muncy, William T. Fugitt, Drew B. Adams, Roscoe C. Moore, Thomas Moore, Claud L. Thompson, Millard Thornhill, Ova L. Gussler, George Wellman, James Sturill, Charley Brown, John P. Meade, Andy L. Adams, Jacob Evans, William Taylor, James Berry, Lewis A. Moore, Charles Indictot, Carl Sturgill, Hugh Holt, Dan Rife, William R. Bartram, Rance Adams, Carl E. Parker, Connie Moore, Curtis Evans, Richard Hewlett, Edward E. Watkins, John Benson Burgess, Montville Thompson, Kay Carter, Cordie H. Brown, Charles F. See, Jr., Jack See, Taylor Workman, Willie Welch, Ira Hale, John Milton Caines, Frank Martin.

Several have told me lately that they would be pleased to join with us, and to them I desire to say that if you will come to Louisa on the above mentioned date, I will do my level best to find a place for you, and in view of the fact that we are to have an encampment so soon, I do not see why any one would not jump at the chance to join. No interference with other duties, no expense, full pay for the time of encampment. Come along and we will assure you that you will have no reason to complain or regret it.

Sincerely,
D. L. THOMPSON,
Captain.

ANOTHER BRIDGE NEAR PIKEVILLE

PUBLIC NOTICE.

To All Whom It May Concern: The Department of Public Roads of Kentucky, of Frankfort, Kentucky, has submitted an application for a permit for construction of a bridge across Levisa Fork of Big Sandy River at Pikeville, Pike County, Kentucky.

In order that all interested parties may have an opportunity to express their views as to whether or not the proposed bridge makes due provision for the needs of navigation a hearing will be held in the County Court Room, Court House, Pikeville, Kentucky, at 1:30 o'clock, central time, on the 29th day of June, 1920, to which all interested parties are invited.

It is requested that all statements presented at the hearing which it is desired shall receive consideration be reduced to writing as far as possible by the parties submitting them. Oral evidence, however, will be heard.

Plans of the bridge have been placed on exhibition at the following places where they may be examined by interested parties:

Office of County Clerk, Pikeville, Ky.
U. S. Lock No. 3, Louisa, Ky.
U. S. Army Engineer Sub-Office, Catlettsburg, Ky.
U. S. Lock No. 1, Levisa Fork, Gallup, Ky.

Plans will be furnished direct to any interested party on application to this office.

W. P. STOEKEY,
Major, Corps of Engineers,
415 Custom House, Cincinnati, Ohio.

MARRIAGE LICENSES.

Pete Vanhoose, 20, to Shirley Billups, 18, of Meredith, W. Va.

ROBT. SHANK FLIES FAST TO HUNTINGTON

The Herald-Dispatch says:—Flying at a velocity of more than 100 miles an hour, "Bob" Shank, Huntington boy and former air mail pilot, arrived here yesterday morning from Mt. Vernon, Ill., making the trip in four hours and fifty-five minutes.

Shank, assisted by Gordon Holder, a stunt flyer, of Rome, Ga., will probably give an exhibition of stunt flying at Camden Park, July 4.

Shank entered an aviation school in Chicago, in 1914. After purchasing his own machine he toured the southwest, giving exhibitions. He secured employment with the Stinson aviation school at San Antonio, Texas, where he remained until the outbreak of the war, in 1917.

Shank became an instructor in the aviation schools at Kelly field, San Antonio, Texas, at the outbreak of the world war, but was later moved to Love field, at Houston.

He was the first pilot of the air service, between New York and Washington, but during the last year has been carrying passengers. He has made more than 20,000 flights and has carried over 7,000 passengers without a mishap.

Shank is visiting his father and brothers where he expects to remain two weeks. Mrs. Shank and son, Robert Bruce, arrived in Huntington Tuesday by train.

JAMES W. HUGHES BURIED AT ASHLAND

The death of Mr. Jas. W. Hughes, father of A. M. Hughes, of this city, occurred last Friday morning. Mr. and Mrs. Hughes had been called to Huntington on Thursday by his illness. Miss Ellen Hughes went Friday to attend the funeral.

The following article was taken from the Huntington Herald Dispatch: James W. Hughes, 38, former postmaster of Huntington, died at the home of his son, former Congressman James A. Hughes, 1149 Fifth avenue, at 5:30 o'clock Friday morning, following an illness of several weeks.

Mr. Hughes was born of Scotch parents in County Mayo, Ireland, November 11, 1832. He was educated in Scotland and was a teacher in Ireland. He married Miss Ellen McNulty, of County Mayo, September 25, 1855, with whom he left for America at once. The voyage over the Atlantic was made in a sailing vessel and required six weeks.

The young couple landed in New York but went at once to Corrona, Can., where they lived until 1872. Here all but the youngest of their eight children were born. The youngest child, the late Douglas Hughes, was born at Bellare, O., while the family was en route to Ashland, Ky.

Ashland remained the home of the Hughes family until 1890, when the family came to Huntington.

Mr. Hughes served as assistant postmaster of Huntington for several years. Then he was appointed postmaster by President McKinley, an office he held fourteen years. During the whole of his tenure as postmaster the conduct of his office was never assailed.

In recent years he lived quietly at the home of his son, former Congressman James A. Hughes. After more than fifty years of life with him, his wife died in this city twelve years ago.

His only daughter and one son died in early life. Two sons, both well known in the affairs of the Tri-State region, have died in recent years. These were Douglas Hughes and Ed Hughes, of Ashland. Surviving sons are James A. Hughes, of this city, John G. Hughes, of Ashland, and Arthur M. Hughes, of Louisa, Ky.

Mr. Hughes was an old fashioned country gentleman. The term gentleman applied to his character with unusual fitness for his was a truly gentle spirit. It is said of him, throughout his long life no oath ever passed his lips, and that he never used either whiskey or tobacco. He was a member of the Episcopal church and his life was marked by an earnest and unostentatious piety. He was a man of very wide reading.

In the sunset years of his life, whenever the weather permitted, he occupied a chair on the front porch of the Hughes home, daily greeting his neighbors as they passed to and from in front of the home. The kindly spirit which was so pervasive as to flood the home where he dwelt, flowed out to these passersby, also, so freely that it was a source of regret to them when growing feebleness compelled him to keep his bed.

Funeral services were held at the residence at 10:30 o'clock Saturday morning. The Rev. Dr. Roger Trier, pastor of Trinity Episcopal church, and the Rev. W. H. Sheffer, pastor of Central Christian church, officiated. Interment was in Ashland cemetery.

Those from out of town who attended the funeral were: Mr. and Mrs. John Romack, of Hinton; Mr. and Mrs. George P. Franklin, of Alderson; Mr. and Mrs. John M. Hack, of Pittsburgh; Mr. and Mrs. A. M. Hughes and Miss Ellen Hughes, of Louisa, Ky.; Mr. and Mrs. John G. Hughes, Miss Gertrude Hughes, Mr. and Mrs. Richard Denson, Mr. and Mrs. Harold Van Sant, Mrs. Ed S. Hughes and son, Ashland, and Mrs. Robert Daniel and son, Lucian Smith.

There will be a pie supper at the Ledocio school house Saturday night, June 26th. Everybody is cordially invited to attend. COMMITTEE.

CIRCUIT COURT ENDED SATURDAY

A BOY OF 14 SENTENCED TWO YEARS FOR KILLING ANOTHER BOY.

Lawrence Circuit Court ended its June term last Saturday.

The only felony conviction was that of Howard Carter, age 14 years, for killing Lonnie Jobe, age 15. He was sentenced to two years in the penitentiary, but the Judge changed it to a Reform School sentence and he will be taken to Greendale, near Lexington.

This will be remembered by the readers as a lamentable fatality that occurred at Osie, this county, a few weeks ago. Neighbors had gathered for a "working" and the boys got into a difficulty as the result of one teasing the other. The smaller boy struck the larger one on the head with an axe and the blow fractured the skull and caused death.

The suit of the Wallace heirs against J. Q. Lackey, involving a small piece of land two miles from Louisa, was decided in favor of the Lackey estate. The case will be appealed again. It has been in the courts since 1913 and was once reversed by the Appellate Court.

W. D. AND U. G. FITZPATRICK BUY FARM NEAR HUNTINGTON

Fifty thousand dollars is said to have been the price paid by W. D. and U. G. Fitzpatrick, West Huntington merchants, for 392 acres of land lying back of Westmoreland. The tract was owned by the Westmoreland Farming Company, of which Z. T. Vinson and James A. Hughes are the principal stockholders. The Westmoreland Farming Company purchased the tract in 1914 from James H. Marcum. It was a part of the original Marcum estate.

It is said the new company will divide the tract into lots approximately one acre each. The terms of sale provide payments of \$5,000 annually for the next ten years.

Official Changes Being Made at Frankfort

Judge Robt. H. Winn, Republican, of Mt. Sterling, has been appointed a member of the State Board of Control to succeed Dr. Ganfield, resigned.

The Governor also appointed S. J. Clark, Pikeville; M. L. Wells, Prestonsburg; William Roberts, Central City; Lucy Laxton, Harlan, and U. D. Williams, Paintsville, Assistant State Mine Inspectors.

James A. Scott was re-elected by the State Tax Commission as chairman.

The reorganization of the State Highway Commission will be attempted next Monday. This is a matter of deep interest to the Big Sandy valley. If State Engineer Joe Boggs is not retained, it is said the result of the Mayo Trail and other projects under the new law will be rendered very uncertain. Mr. Boggs is the father of the new law and has an ambition to see it carried into effect.

False Reports Circulated About Profiteering Here

False reports are in circulation here about one or more Louisa merchants having been arrested and placed under bond for profiteering. The stories are never the same, and the profits alleged to have been made are so enormous that this feature alone should arouse suspicion as to the truth of the tales.

We have investigated the matter thoroughly and find that there is not a word of truth in any of these stories. No officer has been here, nobody is under suspicion and the stories were started to injure certain merchants. We do not believe Louisa has any merchants who are charging profiteering prices. In many items you can buy cheaper here than in any of the larger cities.

The law places a very severe penalty on persons who circulate false reports that may injure any person or firm. Not only are those guilty who originate such reports, but every one who repeats the falsehood is equally guilty. This case is likely to result in some arrests, as many people are guilty.

BIG SANDY BOY MAKING GOOD IN BASE BALL

London, Ohio, June 14.—The Housatonic Base Ball Club of this city, the fastest semi-professional ball club in the state, owes a big share of their success to the effective, or I should say, phenomenal pitching of Bryce Moore. He has won eight straight games with no defeats, has a record of eighteen strike-outs to the game. While Moore is just a youngster he hurls the ball like an oldhead, not only does he pitch a great game, but is also hitting right around the 300 mark. The diminutive Moore is ranked as one of the very best moundmen in this part of the state, and the day is not far distant when our popular pitcher will be up in the big show, and it's a good bet that he will give an account of himself in any class of baseball. He has most all of the curves known to the game, lots of speed, and above all perfect control. Also knowing the right thing to do at all times; in other words he is a regular ball player from head to foot. He is mighty popular with the fans, and the idol of his teammates.

Now, if you have another Bryce Moore down that way send him here. This club has five pitchers on their staff, four catchers, five infielders, four outfielders. But Moore and his catcher Miller, formerly of Ohio Wesleyan at Delaware are the favorites of the club and fans both at home and with the visitors.—C. Hibbitt, manager publicity for the Housatonic Club.

CHAUTAUQUA HERE WAS WELL ATTENDED

The Chautauqua held at Louisa Tuesday, Wednesday and Thursday of this week was well patronized and greatly enjoyed. The musical numbers were good and the lectures fine. Allen M. Owsley, Attorney General of Texas, and Dr. John J. Tigert, of Lexington, were the chief lecturers. Mr. Owsley is a grandson of ex-Governor Owsley of Kentucky. Dr. Tigert is a son of Bishop Tigert, of the M. E. Church South, who preached at Louisa during the annual conference held here in 1892. Dr. Tigert is a member of the faculty of Kentucky University. A few years ago he won the Cecil Rhodes scholarship which gave him a course at Oxford University, England. He speaks Thursday night, and a detachment of soldiers also will entertain the audience.

Louisville Boosters Send Thanks to Louisa People

Hon. Augustus Snyder, Mayor, Louisa, Ky.
My dear Mr. Snyder:

May I just send this word of thanks to you for the kindly way in which you received us on the occasion of our recent Heads of Houses visit to your city.

Our members who made the trip are still talking of the splendid hospitality of the Bluegrass and the Mountains. You have a wonderful country with magnificent resources. Take this with the whole-heartedness of your people and it is scarcely any wonder that our membership always look forward with enthusiasm to a visit to your country and find great joy in reminiscing of such visits after they are made.

May we hope to see you in Louisville soon. With kindest regards, I am,
Very truly yours,
W. E. MORROW,
President.

TEACHER NEEDS PERPLEX COLVIN

Frankfort, Ky., June 20.—Following failure of more than 1,000 applicants for teachers' certificates to pass the examination, State Superintendent George Colvin has sent out questionnaires to all county superintendents in an effort to prevent a teacher shortage this year.

Mr. Colvin asks how many teachers will be needed, how many are under contract, what counties are short and what counties have a surplus of teachers. He apprehends there will be a shortage of teachers again this year, and for this reason he said the examination was made as easy as practicable, and the corps of educators from various sections of the State engaged in grading were given instructions not to be harsh in their judgment of the papers.

Heretofore examinations have been held by counties, and the papers graded in the counties where the examinations were held. Grading all the papers in Frankfort under an Act of 1920 is in line with the programme of standardization of Kentucky public schools. Under the old law, as educators see it, there were 120 standards for judging examination papers.

Now all the papers on a given subject are examined and graded by one person, who knows none of the applicants, having before him only the numbers assigned to the applicant. Holders of these certificates now are entitled to teach in any county.

Card of Thanks.

Mrs. John A. Compton and family wish to express their thanks to their neighbors and friends, also to the order of Odd Fellows for their kindness shown them in their bereavement. We thank Rev. R. H. Cassidy for his comforting words, also for the beautiful floral offerings.

Merit That Makes Mileage —In Tires for the Smaller Cars

30x3 1/2 Goodyear Double-Cure
Fabric, All-Weather Tread \$23.50

30x3 1/2 Goodyear Single-Cure
Fabric, Anti-Skid Tread \$21.50

Such extraordinary competence and carefulness as are characteristic of all Goodyear manufacture likewise characterize Goodyear's building of tires for the smaller cars.

Only very unusual experience and endeavor make possible the high relative value built into the 30x3-, 30x3 1/2-, and 31x4-inch Goodyear Tires in our Plant No. 2, the world's largest factory devoted to these sizes.

In addition to the larger sizes Goodyear builds, a daily production averaging 20,000 tires of these smaller sizes alone makes them easily available, regardless of the big demand, to owners of Ford, Chevrolet, Dort, Maxwell, and other cars taking these sizes.

If you are one of these owners, go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He carries a stock.

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water-proof bag \$4.50

GOODYEAR

CADMUS

Dr. Scott Rice, of Nebraska, was visiting his two brothers, Dr. W. A. Rice and J. A. Rice, of Dennis last week.

Rev. Rowland Hutchison preached a fine sermon at McDaniel Hill Sunday. We are sorry to hear of the death of our friend, Esq. John Compton. The writer has known him for over 50 years and lived in one mile of him for 23 years. He was a good hearted man and one of Lawrence county's best citizens.

The Green Valley Sunday School is progressing under the supervision of Rev. Adam Harman.

Little Sadie Shortridge has pneumonia and is under the treatment of Dr. W. A. Rice.

Lindsey Moore, son of Rev. J. C. L. Moore, who has been living at Hatfield, W. Va., for some time, has moved to Cats Creek near Cadmus.

James Christian, who has been employed at Hatfield, W. Va., for some time, has moved back to Morgans Creek and is building a nice house on his farm near Dennis. Jim is a fine man and a good citizen and we think our county is improved by him moving back.

Uncle Cam Rice and wife attended church at Dennis Sunday.

Adam Harman was called to Arthur Kitchen's at Gladys last week on legal business.

Uncle Isaac Queen, who has been sick so long, we are sorry to say is no better.

Milt Watson of Jattie, and Geo. W. Handley of Vessie, passed Cadmus Thursday of last week with a fine drove of calves.

Miss Jennie Moore and Dovia Workman were shopping at Cadmus Saturday.

Miss Doshia Roberts has returned home from school at Berea.

Vess Woods, of Tuscola, was at Sunday School at McDaniel Hill and Green

Valley Sunday last.

Misses Josie Fugate, Marie and Opal Riley and Mary Chadwick were calling on Mrs. Nancy Harman one day last week.

Uncle Cam Rice and wife, Charley Shortridge and wife and two little grandchildren were dinner guests of Mr. and Mrs. Adam Harman Sunday.

Corn hoeing and wheat cutting is the order of the day in our country.

George Goins and wife and little son of Christmas, were the guests of Adam Harman and wife Friday night of last week.

Lon Moore, of Huletta, was visiting his aunt, Mrs. Mary Workman, of Cadmus, Saturday night.

James Mosley bought a fine young cow from E. H. Stuart.

Andy Woods and George Abels had the misfortune to lose three good milk cows a few days ago by being poisoned in some way unknown to them.

J. S. Jordan, our trust-worthy mail carrier from Tuscola to Louisa, who has served us for a time, will retire at the close of the month and the other fellow will go on the job.

Uncle Ben Vanhorn and little grand daughter, Irene, were at Cadmus Saturday.

Thomas H. Chadwick, our veterinary surgeon, is kept busy, there being so much disease amongst our domestic animals.

Bascom Shortridge and wife were shopping at Cadmus Saturday.

Mrs. Susan Riley was calling on her brother, A. Harman, Thursday.

Uncle Wm. Brumfield and Aunt Martha attended church at McDaniel Hill Sunday.

Millard Fannin and wife, John E. Scott and wife, Bro. James Ellis and wife and C. M. Savage and wife all attended church at McDaniel Hill Sunday.

Conard Rice is working for Willie Woods, of Vessie, this season.

Let us hear from the correspondents of other points and make the Big Sandy News worth while. SPUNK.

TUSCOLA

All crops are looking fine especially wheat and oats.

Milt Watson and Dave Thompson shipped a lot of veal calves last week.

Mr. and Mrs. Robert Towler, of Princess, were the pleasant guests of Mr. and Mrs. H. A. Jordan and Mr. and Mrs. M. F. Jordan last Thursday and Friday.

S. W. Graham made a business trip to Cherokee Saturday. He reports some bad roads.

Messrs. J. H. Frasher and Dennis Rice made a business trip to Louisa Friday.

The condition of Isaac Queen remains about like it has for several weeks.

The people here are still living in hopes of oil developments this year. The activities in leasing here last spring make them believe that there is oil and gas in this locality.

OLD LEM JUCKLENS.

MADGE

Elmer and Evelyn Haws, of New Boston, Ohio, are spending their vacation with relatives here.

Miss Samantha Nelson spent Saturday night and Sunday with Miss Inez Wellman.

We were sorry to hear of the death of Lyle Wellman. He had been a sufferer for some time past, and his death was a relief from much pain. He passed away Friday afternoon at five o'clock and was laid to rest Saturday on the hill overlooking the home, there to await the resurrection.

Misses Lillian and Bessie Bradley spent the week-end with Louisa relatives.

Mrs. John Carlson and sisters, Mart and Pearl Shannon, were shopping in Louisa Saturday.

Lloyd Barker, who has been boarding at Al Hutchison's for some time, is visiting his mother at Clarksburg, W. Va.

Geo. C. Bradley, who had spent several days here visiting home, folks, returned to Akron, Ohio, Sunday. He was accompanied by his sister and her husband, Mr. and Mrs. J. N. Comp-ton, who will reside in Akron.

Crooks Adams, of Daniels Creek, made a business trip to Madge Monday.

PLENTY OF PROOF

FROM PEOPLE YOU KNOW—FROM LOUISA CITIZENS.

The greatest skeptic can hardly fail to be convinced by evidence like this. It is impossible to produce better proof of merit than the testimony of residents of Louisa, of people who can be seen at any time. Read the following case of it: J. W. Pinson, Lock Ave., Louisa, says: "My kidneys were weak and I suffered severely. My back ached and sharp, cutting pains darted through the small of it. I could hardly straighten after bending over and the kidney secretions were highly colored and irregular in passage. Doan's Kidney Pills cured me of the complaint and I have felt well ever since." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Pinson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

HOME CIRCLE COLUMN

A Friend's Greeting.

I'd like to be the sort of friends that you have been to me. I'd like to be the help that you've been always glad to be. I'd like to mean as much to you each minute of the day. As you have meant, aid friend of mine, to me along the way. I'd like to do the big things and the splendid things for you. To brush the gray from out your skies and leave them on yblue. I'd like to say the kind things that I so oft have heard. And feel that I could rouse your soul the way that mine you've stirred. I'd like to give you back the joy that you have given me. Yet that were wishing you a need I hope will never be. I'd like to make you feel as rich as I, who travel on. Undaunted in the darkest hours with you to lean upon.

This is a busy world, but don't let it keep you so busy that you cannot find time to absorb some of the sweetness out of life. Satan finds mischief for idle hands but he also puts discontented and selfish thoughts into overworked brains.

Do not waste your vitality and time in anxiety about your neighbors' spiritual or moral condition. Develop yourself morally and spiritually, then you can be of real help to others. You were sent here to make the best use of your spirit and mind. Unless you do this it is useless for you to attempt to benefit others. If you do this your example will be an inspiration and a guide.

Too many of us put too much dependence on the future. We live always for next month or next year. Man's most precious possession is today for the future may never be his. Nor is it any better to dream always of the past. Feet stumble and hands are useless when the eye is looking backward.

The best manner of judging the worth of amusements is by their after effects on the nerves and spirit. True amusement ought to be, as the word indicates, recreation—something that refreshes, turns us out anew, rests the body and the mind by change, and gives cheerfulness and alacrity to our return to duty.

Never turn away a child when he comes to you for comfort and sympathy in a childish grievance and then expect him to love you and confide in you when he reaches the difficulties of mature life. And when they ask too many questions try not to grow impatient with them. They learn only by asking questions and an inquiring mind is a good sign of development. Remember that what seem very foolish to you may be of vital importance to your child.

There are those who waste life in running about the world offering matches to fellow pilgrims they believe to be in the dark while their own lamps are unlighted. Keep your own lamps in good working order and you will not need to urge others to avoid the darkness. They will see the radiance you cast and it will be a more convincing argument than a thousand sermons. Make yourself before you attempt to make others.

It is among men who try to get a living by shift or trick of laziness that we hear the familiar words "the world

EAST POINT

T. J. Music died at his home near here June 18th. He was a good Christian and citizen, well liked and respected by all who knew him. He was 65 years old. He left a wife, six daughters and three sons to mourn his loss. Rev. Henry Dunnigan conducted the funeral services, paying tribute to the consecrated Christian life he had led.

Richard Spradlin, of Dewey, was here Monday. While out riding last Tuesday Miss Fannie Leek had the misfortune to be thrown from her horse and hurt badly. At the present Miss Leek is doing nicely.

Isaac Ramey, of Blaine, is visiting Louisa Ramey. Bosler Wells, of Auxier, was badly injured by a fall of slate in the mines at that place. He was taken to Kessler's hospital Sunday morning. Little hope is given for his recovery.

Dr. Frank Ramey returned from Huntington Sunday night. Miss Stella Robinson spent the week end at Paintsville the guest of Mrs. Earl Blair.

Mr. and Mrs. Stonewall Johnson and children and Mrs. Stella Stapleton were at Paintsville Saturday night. A number of people from here saw the movies at Auxier Saturday night. ARUAL.

Take "Dodson's Liver Tone" Instead!

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel

and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe, to give to children; they like it.

Senator Hiram Johnson is smarting under the way the politicians sat on him at Chicago, as indicated by a speech he made at home Wednesday.

The most abject coward in the world is the fellow who mails an anonymous letter. He is a bloodless assassin; and all he needs to make him a bloody assassin is courage. He possesses all the other qualifications.

Democratic leaders are preparing to give attention during the National Convention to the question of adequate representation of women both in the party councils and in the shaping of platform issues of particular interest to women.

The Big Sandy Valley will be a good many thousands of dollars better off by the increased car supply for the mines. The Interstate Commerce Commission is giving the mines full right of way for 30 days in the matter of cars in order to somewhat catch up with coal demands.

The Democratic National Convention will meet at San Francisco next Monday. The outcome is not at all apparent at this time. McAdoo could have had the nomination, it is believed, but he has given positive instructions to not permit his name to be presented to the convention. He says he has not money enough to meet the legitimate demands of a presidential campaign and is unwilling to have his friends supply it. He is just getting fairly started in business after having quit a Cabinet position for the reason that he could not live on the salary.

Gov. Cox is prominent among the candidates. Palmer, Carter Glass and Marshall also are much talked of.

There will be lively times over some points in the platform.

Right of the Public.

The Cincinnati Enquirer says: Sound in morals and in law is a recent decision handed down by Judge Fawcett, of the New York Supreme Court, who held:

"While a man may enter any vocation he chooses, yet if he selects a field indissolubly linked with the rights of the public, such as common carrier, he must subordinate his own rights to that of the public welfare."

Judge Fawcett held boycotts of open shop goods to be illegal. The decision is the law's answer to Governor Allen's question as to whether in a fight between employers and employees of a public utility the public has any rights.

This decision cuts both ways; it applies to the employer as well as to the employee; it places the public's right first. As we have said, such a decision is sound in law and morals. The time rapidly is approaching when the public majority no longer will submit to being victimized by the battling interests of labor and capital. There is no need for this warfare. Before we exhaust ourselves in banishing physical warfare from the earth we shall best conserve the in-

terests of the world by readjustments which shall make war between employer and employee impossible.

ASHLAND WILL CELEBRATE THE FOURTH ON THE 5th

On Monday, July 5, the city of Ashland will have a big old time patriotic celebration. As announced in an advertisement published in the NEWS last week they will have a lot of attractions, races, music, baseball games, oratory, etc., and all Big Sandians are invited.

POSTOFFICES NOT ATTRACTIVE.

G. B. Carter was the only applicant who took the civil service examination at Catlettsburg on the 16th for vacancies in the offices at Louisa and Jenkins. Mr. Carter is an applicant for the Louisa office, but the Jenkins position is going begging. There is so much work in these offices now that they are not much in demand with the scant provisions made for help.

RESOLUTIONS

Whereas, Almighty God in the exercise of His infinite wisdom and according to His good will, has seen fit to call from our midst in this earthly life to the great beyond our dearly beloved brother H. F. Frasher, who departed this life for a better, brighter and we trust a happier life above, where sorrow and troubles shall cease.

Resolved, that in the death of Bro. H. F. Frasher Louisa Lodge of Odd Fellows has lost a devoted and useful member, the community an upright and useful citizen, and his family a kind and loving member.

Be it further resolved, that the entire brotherhood of this great order extends to the bereaved widow and children their deepest sympathy in their sad hour of bereavement.

That a copy of these resolutions be sent both to the Big Sandy News and the Lawrence County Recorder to be printed, and a copy sent to the family of our dearly beloved brother, and a copy be kept in the lodge.

WILLIAMSBURG, O.

Mr. and Mrs. R. S. Chaffin, of Williamsburg, entertained a few of their friends Tuesday evening, and Mrs. Chaffin's sister, Mrs. Frances Crager of near Columbus, Ohio. A very pleasant evening was spent. A few contests were enjoyed, the most enticing one being hanging a banana on the wall. The one that went the nearest or took a bite of it, blind-folded, was given a prize. Mrs. F. W. Wise was the winner, and secured a two pound box of candy. Refreshments were served. Those present were Mr. and Mrs. F. W. Wise, Mr. and Mrs. Marshall, Mr. and Mrs. Walker, Mr. and Mrs. Smith, and Mrs. Curry. The bunch afterward drove out to Mr. and Mrs. Z. F. Frazier's and spent a few enjoyable hours.

Miss June Roberts, one of Williamsburg's most attractive young ladies, was hostess to her Sunday School class Tuesday evening. Refreshments of cream and cake were served. All that were present reported a nice time.

The K. P.'s had a memorial service at the cemetery last Sunday afternoon. A large crowd was assembled. Beautiful music was played by the band.

Among those who attended the party given by Miss Irene Stephenson Saturday night were Misses Stella and Ulma Cain, Gladys Pendell, Ethel Mitchell, Izzetta Marsh, Audrey Meeks, Clara Frazier, Celestia Thacker, Ernest Neihof, Norman McAll, Ray Homan, George Bernstein and Ora Ferrell.

Mrs. R. S. Chaffin and Mrs. Frances Crager are contemplating a trip to Cincinnati.

Norman McAfee, who has employment at Cincinnati, was calling on Clara Frazier Sunday afternoon. Wheat crops are looking fine.

HOLDEN, W. VA.

Mr. and Mrs. V. C. Willis had as their guests Misses Blanche Alger, of Ashland, and Rebecca Garred, of Louisa, for the dance given at the Holden Club on June 17th. Quite a surprise was given the following day when Mr. Harry Dean Seay of Ashland, arrived to claim Miss Alger for his bride.

Alger Seay.

The beautiful wedding of Miss Alger and Mr. Seay on Friday evening, June 18th, contributed a very happy and exciting occasion for the residents of Holden. The living room of the club was decorated in smilax and American beauty roses. At nine o'clock the wedding party entered the room to the strains of Wagner's Lohengrin played by Miss Edith Jones. Leading the procession were the four flower girls—Julia and Helena Crutcher, Alta Whitlock and Nellie Lee, all of Holden, wearing charming white organdie dresses and strewing the pathway of the bride with rose petals. The charming little ring bearer was Maybelle Merrill. Following them entered the bride groomed in a blue satin striped tulle and georgette frock carrying American Beauty roses, with her bridesmaid, Miss Rebecca Garred, in white net. The groom and best man, W. R. Crutcher, of Holden, met the bride at the altar. The ceremony was performed by the Rev. Dr. Byrd, of Holden. Mr. and Mrs. Seay will spend a few days in Holden before leaving for Ashland, Ky.

COURT OF APPEALS

ORDERS HOTEL BUILT

Frankfort, Ky.—The Capital Hotel Company of Frankfort must erect and maintain a first-class hotel on the site of the property, which burned April 15, 1917, the Court of Appeals said in deciding the suit of the City of Frankfort against the hotel company.

Under the deed from the city to the old hotel company a provision required that a hotel be maintained forever on the premises, and the court said that the city may enjoy the company from using the property for any other purpose.

There are a drug store and a residence on the property at present.

To Our Patrons in Louisa

We will be ready to begin delivering ice locally in the city the last week in June. We have gone to a great expense and have been delayed considerably in the erection of our plant. It will be our intention to give each and every party the best of service and the cheapest possible prices we are able to give. We shall hope for your co-operation.

THE FOLLOWING ARE PRICES EFFECTIVE:

Domestic retail trade, cash, eighty cents (\$0.80) per hundred pounds
500, 1000 and 2000 pound ice books, seventy cents (\$0.70) per hundred
Wholesale trade where ice is taken in 100 to 500 pound lots, sixty cents (\$0.60) per hundred.
Car load prices F. O. B. Louisa, six dollars (\$6.00) per ton.

We reserve the right to discontinue service from any particular patron at any time our service is not satisfactory. We reserve the right where patrons live a great ways off of the main streets to deliver the ice to sidewalk only. Positively no ice will be delivered after July 15th except where coupon books have been purchased. These coupon books are now on sale at our retail department and are to be paid for cash in advance. Coupon books are not transferable and where coupon books are transferred from one customer to another without our knowledge or consent we reserve the right to discontinue ice service from both parties.

NEW STATE ACTS THAT BECAME LAWS JUNE 15

LEGISLATION OF 1926 GENERAL
ASSEMBLY EFFECTIVE ON
NINETIETH DAY FOLLOW-
ING ADJOURNMENT.

Acts of the 1926 General Assembly, not carrying emergency clauses, nor deferred to a specific date, went into effect Tuesday, June 15th, ninety days after adjournment. The published acts already are being distributed from the State Library. The index this year contain a new feature, introduced by Attorney General Charles L. Dawson's force, a reference of acts and statutes amended by the measures. One hundred and thirty-six sections of the statutes and five of the civil code, as well as two sections of the Constitution, are on the amended list. The oldest act referred to dates back to 1854.

Important features embodied in the new legislation are: The rules of the road or traffic laws, educational acts covering salaries and increased facilities, additions to the present health laws, revenue tax measures, criminal code changes, with particular regard to the new anti-handbook law, numerous municipal chapters, the new suffrage measures, and the acts affecting trade and commerce, most important of which is the "Blue Sky" law regulating sale of securities.

Travelers on the public highway must remember that the new traffic law is now in effect, with the exception of the provision that County Clerks shall issue automobile licenses. That became operative December 2. The law includes the wide tire provision, limiting the load to 500 pounds the inch of width for iron, and to 800 pounds for rubber. The speed limit is fifteen miles an hour in business sections, twenty miles in less densely populated sections and thirty miles on the rural highways, giving municipalities the right to further regulate speed and traffic.

"Keep to the right" is the rule of the road. Vehicles traveling State highways have the right of way at intersections, otherwise vehicles approaching from the right. Conventional signals for turning or stopping, use of lights and complete control at whatever speed at curves and intersections are required. Turning to the right, keep to the right of the center, and turning to the left of the center of the intersecting roads, is another rule. Leaking containers, repairing a vehicle in the middle of the road and recklessness in passing other vehicles or approaching horses are prohibited, as well as running with open exhausts.

60 Cents Horsepower Tax.

This law carries the 60 cents horsepower tax for passenger vehicles, and a graduated capacity tax on commercial trucks.

Accompanying the rule of the road law are: Chapter 113, providing for election of guide boards at intersections of inter-county seat highways; chapter 1, prohibiting advertising signs simulating in form and design railroad crossing warnings, and chapter 910, reorganizing the State highway department.

This last section abolishes the inter-county seat aid plan, and substitutes a State highway system of designated projects, entirely under control of the State department to be constructed and maintained with State and Federal funds. Instead of an engineer commissioner, there is a bipartisan commission of four, who appoint the State Highway Engineer.

Incidentally the convict labor law is amended in chapter 159, so as to make practically all convict labor available for working roads in season.

The educational suite includes chapter 6, which establishes \$75 minimum salary for rural school teachers; chapter 43, providing for county attendance officer; chapter 21, providing for teaching third in public schools; chapter 42, requiring normal school instruction in physical education, and making it optional in public schools under a Federal co-operative fund; chapter 45, allowing bond issue for consolidated schools; chapter 46, creating independent consolidated graded and high schools; chapter 67, granting scholarships to soldiers and sailors in educational institutions supported by the State; chapter 71, reorganizing Department of Education with an annual payroll of \$11,600, so that the State Superintendent may secure technical assistants; chapter 74, providing for instruction in humane treatment of animals, and chapter 78, accepting the vocational training co-operative fund.

Under chapter 152, a certificate of normal physical development must be presented with an application for a labor permit for a youth under 16.

Many Health Laws.

Health laws include Chapter 120, reorganizing the Public Health Department by placing under the State Board of Health bureaus on housing, sanitary engineering, tuberculosis, trachoma, venereal diseases, child welfare, maternity centers, regulation of midwives and public health nursing, and authorizing the department to cooperate with the Federal Government in eradicating trachoma and venereal diseases.

Chapter 114 regulates renovation and manufacturing of mattresses, prohibits use of materials from hospitals unless sterilized, stuffing of mattresses with shoddy, jute, old comforts and pads and second-hand material. A linen strip attached to each mattress must state the character of material and whether new or second-hand.

Chapter 27 increase annual fee of licensed nurses to two years, allows secretary of the board \$1,800 and licensing without examination for nurses in religious institutions of ten years' experience.

Chapter 31 provides for the licensing of chiropractors, optometrists and drugless schools of medicine. Chapter 52 authorizes county hospitals in counties containing second and third-class cities.

Revenue measures include: Chapter 19, charging racetracks \$2,500 daily license fees; chapter 65, limiting tax on tobacco stored in warehouses to 40 cents for the State and 15 cents for city or county; exempting twenty-five chickens to each family and limiting the tax on domestic fowls to 10 cents for State purposes; chapters 94 and 95, providing the State budgets for 1926-27 and 1927-28; chapter 44, requiring County Tax Commissioner to view property of each taxpayer; chapter 53, giving State Tax Commission jurisdiction over inheritance taxes.

Omnibus Occupational License.

Chapter 158, omnibus occupational license tax, 50 cents for each hotel room, \$350 on trading stamp concerns, \$50 on cigarette jobbers, \$30 on pool-rooms with \$5 a table additional, \$50 on bottling houses, \$10 on oleo manufacturers, \$50 on patent medicine vendors, 10 on restaurants, \$10 on real estate agencies, \$5 on shooting galleries, \$5 on soft drinks, 20 cents a seat on theaters and \$150 on loan concerns; chapter 147, regulating equalization after reassessment has been ordered by the State Tax Commission; chapter 58, requiring storage warehousemen to report to County Tax Commissioner; chapter 89, permitting appeal from an order of reassessment of a county by State Tax Commission.

Criminal laws include chapter 8, anti-handbook law; chapter 41, providing for removal and reinstatement of a peace officer who surrenders a prisoner to a mob; chapter 50, anti-trust law; chapter 81, prohibition of a forcible act in conformity with Volstead law; chapter 100, prohibiting criminal syndicalism, making it punishable offense to speak, as well as commit, overt act against Government, giving peace officers summary authority to close premises where meetings are held and arrest on suspicion; chapter 110, fixing penalty at one year imprisonment for erasing serial number on an automobile; chapter 130, giving a prisoner credit for time spent in jail without bond, pending appeal; chapter 163, providing for hanging in the county where the crime was committed persons convicted of assault.

Changes in Fire Marshal's Office.

Chapter 16 reduces the premium tax on fire insurance policies from 1 to 1/2 cent and makes State Auditor, Fire Marshal. It allows him an office man and three field deputies, makes Sheriff and fire chiefs deputy fire marshals, requiring report of every fire. It abolishes the superintendent of rating, which office will be consolidated with that of actuary for the department.

Chapter 37 increases maximum compensation under the workmen's compensation law for death or permanent total disability to \$6,000 at a maximum of \$15 weekly, an allowance members of the board \$5 daily expenses while traveling.

Chapter 87 provides for payment of premiums on the official bonds of elective State officers. Chapter 132 provides for payment of salaries of deputies in the office of the Clerk of the Court of Appeals out of the State treasury.

Chapter 155 creates the State Athletic Board of Control, under whose auspices clubs may hold twelve-round boxing contests. Chapters 2, 3, 105 and 151 change the time for holding courts in the Fifth, Nineteenth, First, Twenty-third, Twenty-fourth, Thirty-second, Thirty-third and Thirty-sixth judicial districts.

Chapter 2 allows court reporters in courts of continuous session \$1,200 to \$1,800 annually. Chapter 70 gives Circuit Courts concurrent jurisdiction with County Courts over juvenile cases. Chapter 102 provides that the status of a legally adopted child shall not be changed by order of the Juvenile Court. Chapter 105 permits County Judges of practice in cases in which they were retained before their election.

Municipal Legislation.

Municipal legislation includes: Chapter 28, providing for a 1-cent levy for police and firemen's pension fund in second-class cities. Chapter 73, providing for annual real estate assessments in second-class cities. Chapter 106, providing for oiling of streets in sixth-class towns. Chapter 112, permitting commissioners of second-class cities to serve out their terms if the form of government is changed.

Chapter 134 provides that property owners must help pay for improvements of street intersections in fourth-class cities. Chapter 139, for commissioners in fifth and sixth-class cities. Chapter 143, for oiling streets of fourth and fifth-class cities.

Measures affecting county governments are: Chapter 62, providing for official indexes of conveyances; chapter 155, providing for election of County Commissioners; chapter 159, permitting County Attorney to sue for the benefit of the citizens, without

naming them in his petition; chapter 153, requiring bids for appointment as County Treasurer.

Strictly agriculture measures are: Chapter 96, providing that surplus of fund from license fees for standing animals shall go into the State Fair premium fund; Chapter 30, defining a lawful fence as four feet high; Chapter 75, fixing the rate on ground limestone at 30 cents a ton for thirty miles, and a half cent a mile beyond, with 20 per cent additional for a two-road haul or 30 per cent for three.

County Farm Bureau Work.

Many People Report Big Gains in Weight

Thousands of Thin, Frail People Restored to Health by Tanlac.

MANY REMARKABLE EXPERIENCES TOLD

People in all Ranks of Life Tell What Celebrated Medicine Has Done for Them.

One of the most noteworthy features in connection with Tanlac and the one that stands out more prominently than any other, perhaps, is the very large number of well-known men and women from all parts of the country who have recently reported astonishing and rapid increases in weight as a result of its use.

When so many well-known people of unquestioned integrity make statements after statement, each corroborating the other, the truth of such statements can no longer be doubted. Thousands have testified that this famous medicine has completely restored them to health and strength, after every other medicine and the most skilled medical treatment have failed.

One of the most remarkable cases on record is that of Mrs. Viola Ives, of 315 Cross street, Little Rock, Ark., whose statement appears below.

"In May of 1913," said Mrs. Ives, "I suffered a complete breakdown of my nerves and my entire system gave way. About six weeks afterwards I was carried to the hospital. I became perfectly helpless—couldn't move any part of my body and just lay there in bed for five months, not knowing anything or anybody. I was brought home in October, 1913, and tried all kinds of medicine and everything I was told about.

"I read about so many people getting relief by taking Tanlac and my husband got me a bottle. After taking three bottles I began to feel better. I have taken several bottles of Tanlac now and I can walk anywhere and sleep like a child. When I took my first dose of Tanlac I weighed only one hundred and twenty-two pounds. I now weigh one hundred and sixty-two—an actual gain of forty pounds since I started on Tanlac."

Texas Man Testifies.

Another remarkable case was that of John M. Crabtree, a general merchant of Five Mile Station, A. Dallas, Texas.

"I have actually gained thirty-four pounds on three bottles of Tanlac and I now know what it is to enjoy good health after suffering for twenty years," said Mr. Crabtree.

"I suffered with catarrh of the stomach and indigestion for twenty years and for eighteen months, before I started taking Tanlac, I had to live almost entirely on cereals. I spent nearly all of one whole year in bed and was unable to do anything at all and I fell off in weight to 118 pounds.

"After using my third bottle of Tanlac I found I had increased in weight from 118 pounds to 152 pounds, making an actual gain of thirty-four pounds—all my troubles were gone, and I was feeling like another man."

"When I began taking the medicine," continued Captain Riggs, "I was simply a nervous and physical wreck and had dropped down in weight from one hundred and forty to one hundred and ten pounds.

"I have just finished my second bottle of Tanlac and have gained twenty-seven pounds," was the truly remarkable statement made by Mrs. Charles Peden, residing at 559 Mill Street, Huntsville, Ala.

"When I commenced taking the medicine," she continued, "I only weighed ninety-eight (98) pounds; now I weigh 125 pounds and never felt better in my life. For years I have suffered with a bad form of stomach trouble, constipation and pains in my side and back. At times the pains took the form of torture, and I was twice examined and each time I was told that I had appendicitis and that an operation would be my only hope.

"I had made all preparations for the operation and called in my sister to tell her good-by, as I did not know whether I would live to see her again or not. My sister begged and pleaded with me not to allow them to cut on me and told me to wait and try a good tonic for awhile. The next day, as I returned from the consultation room, I thought of what she said, and as I had heard so much about Tanlac, I decided to try it and get a bottle."

"I never returned for the operation, but just kept taking the Tanlac. Right from the start I began to feel better. The medicine seemed to take hold right at once.

"I was so happy over the wonderful improvement in my condition that I sent for my neighbors to tell them how much better I felt. I sent and got another bottle of Tanlac, and have just finished taking my third bottle and feel as if I have been made all over again into a new woman."

Old-Time Engineer Talks.

Engineer Chas. J. Weeks, who runs the Seaboard Air Line fast train "Fox" between Jacksonville and Tampa, bears the distinction of being the second oldest engineer in point of service with this road, having been with the company for thirty-five years.

"I have gained twenty pounds on seven bottles of Tanlac and feel as well and happy as I did when a boy," said Mr. Weeks.

"For twenty years I suffered with nervous indigestion of the worst sort, he continued, "and at times during the past fifteen years I didn't think I would last much longer. To tell you the truth, I finally reached the point where I didn't much care whether I lived or died."

Thousands of other people all over the country have reported the same astonishing gains in weight after taking Tanlac. Among these are: Mrs. E. O. Wilson, of 197 Bass St., Atlanta, Ga., who gained 25 pounds; Edward Reno, 1721 Broadway, Kansas City, Mo., who gained 23 pounds; Mrs. W. C. Cochran, of Juliaetta, Idaho, who gained 22 pounds; Mrs. Doll Davis, of 198 Samuel Avenue, Peoria, Ill., who gained 30 pounds; Chas. E. Shaffer, 508 W. Charleston St., Portland, Ore., who gained 24 pounds; Mrs. Amelia Mann, R. F. D. No. 2, Ogden, Utah, who gained 25 pounds; W. S. Hukill, 7308 Park Ave., Tacoma, Wash., who gained 20 pounds; Mrs. B. W. Smith, 8113 Burdett St., Omaha, Neb., who gained 25 pounds; Fred W. Saunders, 710 Market St., San Francisco, Cal., who gained 24 pounds, and many others too numerous to mention.

PIKEVILLE

Death of Mrs. Mary Connolly-Hager.

Mrs. Mary Ratcliff Hager died Monday night at her home in Pikeville. She had been suffering with rheumatism several years and until recently had spent the winters in the South. She had been hopelessly ill the past few weeks and some days ago the immediate relatives were called to her bedside.

Her first marriage was to Winston M. Connolly, an attorney of Pikeville, whose death occurred many years ago. Of their two children the son W. H. H. Connolly, passed away a few years later, leaving two sons, Frank B. and Winston. The daughter, Mrs. Nona C. Bowles, wife of C. C. Bowles, and her three children, Harrison and Misses Loraine and Josephine, live in Pikeville. Mrs. Hager is also survived by her husband, John L. Hager, a prominent merchant of Pikeville. Mrs. Hager was a sister of Judge W. O. Ratcliff, deceased. Her death removes one of Pikeville's well known and good women.

Funeral services were held on Wednesday, burial following in the Pikeville cemetery where only a short while ago her grandson, Charles Bowles, was laid to rest.

Johnson-Robinson.

Miss Nellie Johnson and Clyde Robinson were married here in Johnson's store. The groom is employed in W. E. Johnson's store and is a fine young man. His bride is the daughter of Geo. W. PAINTSVILLE

Price-Patterson.

The Russell Times says: The beautiful double ring wedding ceremony was used Wednesday evening when Miss Georgia M. Patterson, one of Russell's most charming young ladies, and Mr. James Call Price, of Paintsville, were united in marriage at the home of the bride's parents, Mr. and Mrs. G. W. Patterson.

Roses, nasturtiums and ferns had transformed the rooms into a bower of bloom. The bride was beautifully gowned in white satin and a bridal veil trimmed with white pearls and carried a bunch of sweet peas. Her only attendant was Miss Pauline Price, a sister of the groom, who carried an armful of beautiful pink roses, while Mr. Jack Carney was best man.

The Misses Bennett, of Greenup, were attendants, and Miss Mary presided at the piano while Miss Stella Patterson, a niece of the bride, sang "O Promise Me." Rev. O. W. Robinson, pastor of the M. E. Church, said the ceremony.

A reception was given, after which the newlyweds left for their honeymoon to New York, Buffalo, Canada and other points of interest in the North.

The bride is very attractive, and popular in social circles and is the youngest daughter of Mr. and Mrs. G. W. Patterson. The groom is employed on the Big Sandy division of the C. & O. He has made extended visits here and won many friends.
